Parking Passes Information

Each producer will receive **15 complimentary parking passes** per performance. Arthur or Bill will issue the complimentary passes at the 30 day out production meeting. Parking passes *do not* guarantee "Hill parking" spaces. These spaces are first come, first served. Producers are advised to provide a parking pass list for the house staff.

Additional passes:

Additional passes can be purchased from the box office at least 48 hours in advance of your event or from the parking lot attendants starting four hours before your event.

Evening event passes are \$5.00 each, and the Saturday morning family event passes are \$1.00 each.
