

ACCESSING YOUR PATRON DATA

When your show is over and all ticket sales are complete, you may be interested in accessing the patron data collected during the sales process.

We are happy to provide a spreadsheet of this data. In order to release this information, you will need to sign and date an acknowledgement of our Privacy and Security Policy, which was written in accordance with rules provided by the County of Los Angeles.

Because patrons are sensitive about email and mailing addresses being shared, especially when used without permission, we want to make sure Ford patrons are protected.

To request the acknowledgment form and, in turn, your patron data, please email boxoffice@ford.lacounty.gov.

QUESTIONS? Contact the box office (boxoffice@ford.lacounty.gov), or call Ann Jensen (323) 856-5788 or Ayesha Motiwalla (323) 769-2175.
