

PARKING PASSES

The Hollywood Bowl runs the Ford parking lot on the night of each event. All Ford Theatres Partnership Program evening events cost **\$5.00** per vehicle.

Patrons may purchase parking passes online in advance of the event to guarantee a spot or they can pay for parking as they pull into the lot on the night of show (cash only). We also encourage patrons to take the Metro (the Ford provides a free shuttle from the Universal City/Studio City Metro stop) or use a ride sharing service such as Lyft or Uber.

As a Partnership Program producer, you will receive **15 complimentary parking passes**. They will be distributed at your 30-Day-Out production meeting so that you can distribute them to artists and crew in advance. Anyone parked onsite on the day of show will need a parking pass visible in their dash or will be asked to purchase one upon entering the parking lot (cash only). Artist/crew cars will be stack parked in a designated area, meaning they will be onsite for the duration of the event.

If you know you'll have more than 15 artist/crew cars, **additional passes can be obtained in advance** of your event date from the Box Office and will be deducted from your settlement. Or, you may purchase additional parking passes from the Bowl parking staff (cash only) on day of show. Make sure to anticipate needs so artists/crew don't show up day of show unprepared.

However, please keep in mind that **parking on site is severely limited** and any spots you use are spots your patrons cannot use. We highly recommend that you arrange carpools, drop-offs or bus transportation for artists and crew whenever possible, especially for productions with many people involved. Please contact Bill Berry (WBerry@arts.lacounty.gov) for more information on parking as your event nears.

QUESTIONS? Please contact Ann Jensen, Box Office Manager (ajensen@arts.lacounty.gov, 323.856.5788) or Sasha Shahidi, Assistant Box Office Manager (sshahidi@arts.lacounty.gov, 323.769.2175).
