

Changing Your Password in TICKETsage

We recommend customizing your password once you receive your login credentials.

1. LOG IN

- a. Go to <https://secure.ticketsage.net>
- b. Enter your username and password

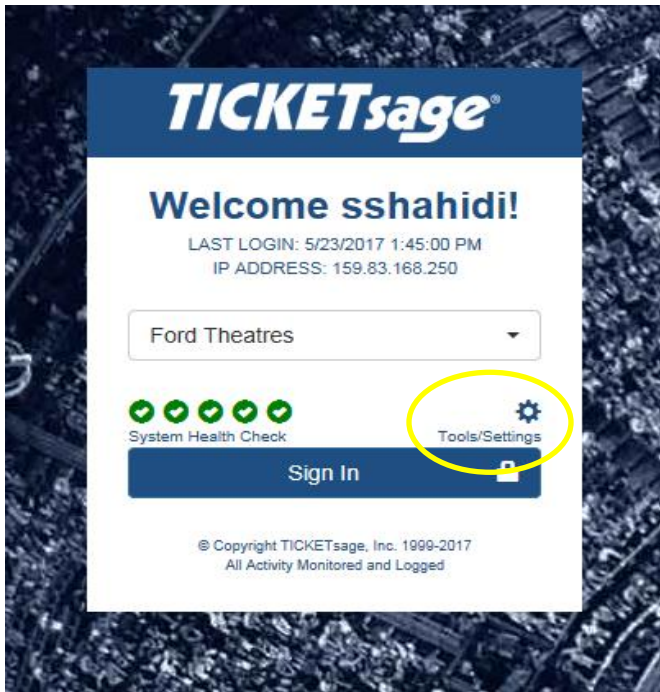

2. CLICK ON THE HEAD SYMBOL

- a. In the upper right corner of the screen, you'll see a head outline. Click on it.

3. CLICK ON TOOLS/SETTING

4. CHANGE YOUR PASSWORD

- a. Enter old password, new password (twice), then click Change Password
